

Sponsorship Opportunities

Oyster Recovery Partnership's (ORP's) World is Your Oyster Festival (WIYO) is a celebration of oysters' promise for Chesapeake Bay recovery. Home of Baltimore's premier shucking competition, it is a bivalve-lovers' bash showcasing regional oyster farms and delicacies that have earned WIYO the reputation as best seafood and raw bar fête in Baltimore! As ORP marks its 30th anniversary, this isn't just another festival—it's a heartfelt celebration of the Bay's revival, the resurgence of its native oysters, and the incredible community that made it all possible!

Sponsorship opportunities are designed to give you maximum exposure before, during, and after the festival. For more info...

Why support Chesapeake oyster restoration?

Oysters are environmentally and economically beneficial to the Chesapeake Bay.

- As filter feeders, they clean-up excess nutrients and other pollutants from the water.
- Known as a keystone species, oyster reefs provide valuable habitat, food, and protection for marine life.
- Oysters are also an important food source. Their harvest represents jobs for watermen and farmers.

The Oyster Recovery Partnership is the nonprofit expert in Chesapeake Bay oyster restoration. We are leading conservation of the native oyster through large-scale restoration projects, shell recycling, sustainable fisheries practices, and getting the public involved through hands-on volunteering and events. WIYO is our hallmark annual fundraising and outreach event.
